13 th May	Diamond Class trip to Kew Gardens

Summer Time

As we are now entering the summer season can we ask and remind you of the following:-

- Nursery and Reception children can wear **navy blue shorts** instead of their track suit bottoms. Please note that girls are not allowed to wear summer dresses or skirts.
- Please provide your child with a **named water bottle**. Bottles can be refilled from the drinking water taps within each shared area throughout the day.
- If your child has fair skin please **apply sun screen** to delicate areas i.e. face, arms and backs of necks before they attend school. If you wish to leave sunscreen within school, please place your child's name on the bottle and give to your class teacher.
- **Sun hats** are available to order from www.wovina.com
- Please do not give your child any type of medication for them to self medicate. All medication should be booked into the school office.
- If your child suffers from any **allergies** such as hay fever, and requires medication such as Piriton, please ensure you speak to Stephanie in the office. She will give you a **Health Care Action Plan** form and a **Consent to Administer Medication** form. This allows us to ensure that we can offer the best possible care for your child and to be able to administer medication which has been prescribed by your G.P.

School Meal Menu week 2
