Driving and Parking near our school

Last Friday after school there was a near miss where by a car mounted the pavement at speed and nearly knocked over a child. If it were not for the mother quickly dragging her child out of the path of the car, the child would have likely been hit. We appreciate that it is sometimes a rush to drop off/pick up children and get to work/clubs etc. However, nothing is worth the price of causing an accident. Please drive carefully around our school and, specifically, do not mount the pavement.

In order to ease congestion, if you do drive to school, instead of driving down Dinsdale Gardens, why not park in one of the surrounding streets and walk your child into school? There is ample parking most mornings in both Clifton Road and Prince Road.

The School Meal Menu is week 1
