10 <sup>th</sup> November	Onyx Class trip to Leeds Castle

#### Welcome Back

We hope you have all had a restful half term break. The Autumn term will fly by and before we know it will be Christmas. There will be lots of things going on this term including parent workshops, school trips and sporting events. We hope that these are all as successful if not more successful than last term.

#### Baby News

There have been two new additions to the Heavers Farm family. Mrs Bradford and Ms Faulding have given birth to baby boys and both mothers and babies are doing well. We wish them all the best and are looking forward to seeing their bundles of joy in the very near future.

#### Safety

Now that the clocks have gone back can we ask that you ensure that if your child is riding their bike or scooters to school that they are wearing high vis jackets. If riding a bike please ensure that they also have both front and rear bikes light on.

#### Parent Book Exchange

If you love reading but don't have time to pop down to the library, and/or if you have some books at home, which you no longer need then why not be a part of the 'Book Exchange'? Outside Cleo's office you will see a bookcase. The idea is to take a book, leave a book or both. The book exchange is for parents only. However, please ensure that the content is suitable for a school setting. If you wish to discuss further, please see Cleo. Happy reading folks!

#### School Meal Menu Week 2
