Scooter and Cycle Safety

As the days are becoming lighter, brighter and warmer. Many of you have dusted off the winter cobwebs off your bikes and scooters. While we actively encourage cycling/scooting to school, please ensure your children push their bikes/scooters while on the school grounds to make sure everyone is safe. Further, we recommend the use of cycle helmets and hi-vis jackets.

Parents'/Carers' evening

Please note that our Spring Parents'/Carers' evenings are happening next week. Teachers are displaying information about appointment times on their classroom doors. If you have not yet booked an appointment please do so asap.

Cycle Training

Over the coming weeks a number of children from year 4 and 5 will be undertaking cycle training on the school grounds and around the local neighbourhood. The cycle training will teach the children how to maintain their bikes as well as cycling safely and responsibly on the roads. With this in mind may we remind those of you who drive to be mindful whilst driving especially in and out of Dinsdale Gardens as well as Tension Road.

Coming soon. Dates for the whole year can be found on the school blog
