

2014 Parent Governor Election Update

5th October 2014

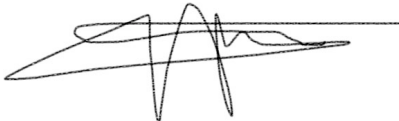

Dear Parent/Carer,

Due to an oversight, the first ballot paper that was sent out to parents had an omission in one of the candidate's statements. I added the missing part of the statement into the revised ballot paper and extended the deadline so that none of candidates are at a disadvantage. Unfortunately, this letter did not go out with the revised ballot papers.

If you have already placed your vote, please vote again using the new ballot paper by the new deadline of **3.00pm on Friday 10th September 2014.**

I apologise for any confusion caused and hope that you all take the time to vote for the candidate of your choice.

Kind Regards,

Susan Papas
