

PARENT/CARER CONSENT

For the use of PUPIL INFORMATION and PHOTOGRAPHIC IMAGES

In line with the General Data Protection Regulation (GDPR) we are reviewing the consent we hold regarding personal data with specific regard to THE USE OF PHOTOGRAPHIC IMAGES (including photographs and video recordings) of pupils at our schools. This is so parents, carers and children understand what images are taken in school and their intended purpose.

Your child's image will be used on the school's Management Information System (SIMS) and school catering till for identification purposes only in line with our privacy notice. We are asking for your consent to use your child's image for other purposes in the school.

The information in this form will be used throughout your child's time at school and for one year after they leave. The consent will automatically expire after this time.

You may withdraw your consent at any time by making a request, in writing, to the school office.
